Summer Club

Fill summer days with creative activity choices, outdoor fun and adventure, interesting community engagement - all centered around themes kids will LOVE

Just a Glimpse ...

- ❖ **6/26-7/7 Architecture & Engineering** – design, construct, invent, experiment and document
- ❖ **7/10-7/21 Nature All Around** – seek and play with the bugs and plants in our local environment
- ❖ **7/24-8/4 Energy** – launch rockets, power cars, exercise, and light the eyes of your... creature?
- ❖ **8/7-8/18 South of the Border** – sing, dance, eat and celebrate our neighbors to the South. **Artist-In-Residency with Cynthia Kreilick**, author, publisher and founder of Morning Circle Media. Cynthia's work provides children with literacy and cross-cultural understanding opportunities, and will include bookmaking and speaking Spanish as we visit Puerto Rico and Mexico.
- ❖ **8/21-8/30 Water & Weather** – splash, pour, forecast and survive the elements

Planned field trip excursions– The Academy of Natural Sciences of Drexel University, Bowling, Children's Theater, Double D Gymnastics, Tyler Arboretum
