Previous Session Minutes:

The Board considered the draft minutes of the April 2019 Board meeting. Jo moved to approve the minutes; Diane seconded the motion. The present Board members voted unanimously to approve the Board meeting minutes as written.

Director's Report:

Theresa reported that she met with the WSSD school district and had a positive discussion. Of note, the school district will be starting a study to change the start times for school, so that high schoolers will begin later. This will likely have a trickle down effect on the elementary school start time. They also discussed possibility of bussing from WASC in the morning, which will be further explored.

Theresa also reported that enrollment thus far for summer camp 2019 is lower than last year's. Sid Gilford, SASC and BSC teacher, attended the meeting and expressed interest in teaching at summer camp, but noted uncertainty as a result of current enrollment levels. Theresa will increase advertising and other recruitment efforts for summer camp.

The Board adjourned to closed session.
