

TCDN WEATHER EMERGENCY CLOSING INFORMATION

In the event of any severe weather conditions (including excessive heat), TCDN will operate with a schedule consistent with the WSSD school schedule.

If the School District does not open for the day, TCDN Out of School programs will not open. However, TCDN's Executive Director will decide to delay or close the Preschool program.

If the School District opens two hours late, TCDN will plan to open the Before School Club and Preschool programs one hour late, at 8:15 am, and AM Explorers will begin at 10:30 am. The Explorers program will run a modified schedule mirroring the WSSD kindergarten schedule.

Every attempt will be made to provide information by 6:00 am.

If the School District dismisses early (before 3:30 pm) the TCDN Preschool and Explorer programs will close 1 hour after the WSSD elementary closing. **The TCDN After School Clubs will not open if schools close before 3:30 pm.**

If the school district closes the elementary schools at 3:30 pm and cancels their after-school activities,

- Preschool will remain open until 4:30
- PM Explorers will remain open until 4:30
- SASC will remain open until 4:30
- WASC will remain open until 4:30
- **NPASC will not open, children will need to be picked up at NPE by the WSSD closing time.**

TCDN may attempt to stay open beyond 4:30 pm (except for NPASC), at the discretion of the TCDN Executive Director. Parents will be notified if such a decision is made.

If the WSSD is not scheduled to open and an emergency weather situation develops, then the TCDN Executive Director will decide to delay or close TCDN programs.

If children remain at any of the programs past the closing time, and parents have not been in touch with staff to explain the delay, staff will contact your emergency contacts.

If you know that you will not be able to get to TCDN on time, please ask your emergency contacts to pick up your child(ren) on time.

Please see the below information regarding closing notifications:

All TCDN Families and TCDN Staff will be notified of any early dismissals, school closings or school delayed openings via the One Call Now System.
