

PRESCHOOL PROGRAM WEATHER EMERGENCY CLOSING INFORMATION

TCDN's Executive Director will decide to delay or close the Preschool program based on the severity of the weather. TCDN will make every attempt to operate with a schedule consistent with the WSSD school schedule, however at times, the Preschool program may operate on a different schedule.

If the School District opens two hours late, TCDN will plan to open the Preschool programs one hour late, at 8:15 am. Every attempt will be made to provide information via One Call Now by 6:00 am.

If the School District dismisses early or cancels their after-school activities, the Preschool, depending on the weather outlook, may close early. Families will be notified if the program will close before 6 pm.

If children remain at any of the programs past the closing time, and parents have not been in touch with staff to explain the delay, staff will contact your emergency contacts.

If you know that you will not be able to get to TCDN on time, please ask your emergency contacts to pick up your child(ren). We want to provide ample time for our staff to get home safely.
